- 6 slices of [Aunt Millie's Honey Wheat Bread](#)
- smooth or crunchy peanut butter, we used smooth peanut butter

- kabob skewers and toothpicks, cut in half

Directions | Yield: 3 servings of PB&J Caterpillar Kabobs

1. Spread peanut butter on one slice of bread and jelly on the other.
2. Put the slices together to make a sandwich. Use cookie cutters to cut out circles and hearts, then set them aside.
3. Wash the fruit and pat it dry with a paper towel. Remove the tops of the strawberries.
4. Assemble the kebabs in this order: a strawberry, a circle cutout of the sandwich, a grape, a heart cutout of the sandwich, another strawberry, and another circle cutout of the sandwich. Repeat until all ingredients are used.
5. Lightly melt the white chocolate chips. Use a toothpick to push the melted chocolate into the strawberries to create eyes.
